

Coos Bay Group Organizes Student Mural Design Contest

- Coos Bay public school students in grades K-12 are invited to help design a mural to beautify a 157-foot wall on 2nd Court in downtown Coos Bay. Entry forms are available on the District & City websites, at City Hall, and at local schools, and are due at City Hall on January 30, 2012.

This project is being coordinated by a group of citizens who participated in the recent “Your Town” training session organized by the South Coast Development Council. Participants in this rural design training course were asked to consider a small project to improve the downtown area in each of their communities. The volunteer group, who call themselves “Alley Cats”, initially spent a Saturday morning in October pulling weeds and cleaning up the 2nd Court alley in front of the wall, and City workers helped by removing trees that were not appropriate for the planting location. In addition to the new murals, the Alley Cats plan to landscape the area with more suitable plantings.

Mural designs will be selected from each school in the Coos Bay District, and the 2nd Court space will be divided into sections to allow each school’s design to be installed on the wall. For more information, contact Christine Coles at (541)404-8508 or Hilary Baker at (541)396-1956.
